The image displays a musical score for the song "The Sound of Silence" by Simon & Garfunkel. It is presented in a four-staff format, with each staff containing a line of music. The key signature is three sharps (F#, C#, G#), and the time signature is 4/4. The score includes guitar and piano parts, with chord diagrams (triangles) indicating the chords to be played. The chords are labeled as follows: A, D, F, G, A, Dm7, G7, C, B7, Em7, D#, G, and G#0. The score is divided into measures, with some measures containing multiple notes and rests. The first staff shows the beginning of the song, with the guitar part starting on a high note and the piano part entering in the second measure. The second staff continues the melody, with the guitar part playing a series of eighth notes and the piano part providing a steady accompaniment. The third staff features a key change to D major, with the guitar part playing a series of eighth notes and the piano part providing a steady accompaniment. The fourth staff concludes the piece, with the guitar part playing a series of eighth notes and the piano part providing a steady accompaniment.

La révolte (S. Faure)

Nous sommes les persécutés
De tous les temps et de toutes les races
Toujours nous fûmes exploités
par les tyrans et les rapaces
Mais nous ne voulons plus fléchir
Sous le joug qui courba nos pères
Car nous voulons nous affranchir
de ceux qui causent nos misères

Refrain:

Église, Parlement, Capitalisme,
État, Magistrature,
Patrons et Gouvernants,
libérons nous de cette pourriture
Pressant est notre appel,
donnons l'assaut au monde autoritaire
Et d'un cœur fraternel
nous réaliserons l'idéal libertaire

Ouvrier ou bien paysan
Travailleur de la terre ou de l'usine
Nous sommes dès nos jeunes ans
Réduits aux labeurs qui nous minent
D'un bout du monde à l'autre bout
C'est nous qui créons l'abondance
C'est nous tous qui produisons tout
Et nous vivons dans l'indigence

(Refrain)

L'Etat nous écrase d'impôts
Il faut payer ses juges, sa flicaille
Et si nous protestons trop haut
Au nom de l'ordre on nous mitraille
Les maîtres ont changés cent fois
C'est le jeu de la politique
Quels que soient ceux qui font les lois
C'est bien toujours la même clique

(Refrain)

Pour défendre les intérêts
Des flibustiers de la grande industrie
On nous ordonne d'être prêts
À mourir pour notre patrie
Nous ne possédons rien de rien
Nous avons horreur de la guerre
Voleurs, défendez votre bien
Ce n'est pas à nous de le faire

(Refrain)

Déshérités, soyons amis
Mettons un terme à nos tristes disputes
Debout! ne soyons plus soumis
Organisons la Grande Lutte
Tournons le dos aux endormeurs
Qui bercent la misère humaine
Clouons le bec aux imposteurs
Qui sèment entre nous la haine

(Refrain)

Partout sévit l'Autorité
Des gouvernants l'Internationale
Jugule notre liberté
Dont le souffle n'est plus qu'un râle
L'heure a sonné de réagir
En tous lieux la Révolte gronde
Compagnons, sachons nous unir
Contre tous les Maîtres du Monde

(Refrain)
